SUPPLEMENTAL LETTER REQUESTING CORRECTION OF FILING DATE

Commissioner for Patents
Washington, D.C. 20231

ATTN: Office of Initial Patent Examinations
Customer Service Center

Sir:

A letter was filed via facsimile on January 15, 2002 requesting
correction of the filing date for this application (copy enclosed). On
February 11, 2002, this office received the filing receipt dated
February 6, 2002 showing an incorrect filing date of October 18, 2001
(copy enclosed).

The above-identified application was filed by express mail on
October 19, 2001. A copy of the express mail receipt for this
application bearing a date-stamp of October 19, 2001 is attached hereto.
Applicants have received a postcard (copy enclosed) for this application
that mis-identifies the filing date as October 18, 2001. Since the

Application No.: 10/033,147
Filed: October 19, 2001
Group Art Unit: 2661

application was filed by Express Mail on October 19, 2001, the date on the postcard is erroneous. Accordingly it is respectfully requested that the records be corrected and that a new filing receipt be issued that indicates the filing date of October 19, 2001.

Thank you for your assistance with this matter. If any questions arise with regard to the present request, please do not hesitate to contact the undersigned attorney of record at the telephone number listed below.

Respectfully submitted,

PAUL F. LANGILLE, ET AL.

Date Mailed: 02/06/2002

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
